Project	GoParties
Description:	By downloading the GoParties app, you would electrify your party-life & this would entitle you to various benefits, some of which are listed below: ● 1. Going forward the GP community would act as your "party best-friend" & if anything is happening in the "party-circuit", then you can be rest-assured that information will hit your inbox through GP's newsletter. ● 2. You will get access & invite to the coolest parties in your town & globally. ● 3. You will get special GP's deals as being part of the GP community for the

coolest parties in your town & globally.

Become GP Community's Member:

Further, to take this experience to a different, we would recommend that you should become a member of the GP community by registering with us after downloading the goparties app. There are various additional benefits which you will get entitled to as a GP member, some of which are listed below:

- For the first-time on this globe, become a part of the '1st Global Parties Social Network (first 3-Generation Social Network)', wherein you can follow your favourite (a) party place(s); (b) band(s); (c) DJ(s); (d) Performing Artist(s); and (e) Concert(s) across the globe ("GP Entertainer") & get real-time live-feed from these GP Entertainers on your personal feed.
- Ride on GP & electrify your party-life, by searching (a) all kind of parties across the globe (with various advanced filters); (b) parties near you; (c) trending parties; (d) GP's exclusive parties master.
- Get various kind of real-time information regarding your favourite (a) parties (all kinds); (b)party place(s); (c) band(s); (d) DJ(s); (e) Performing Artist(s); and (f) Concerts.
- Get invite(s) & exclusive GP deal(s) for your favourite (a) parties (all kinds); (b)party place(s); (c) band(s); (d) DJ(s); (e) Performing Artist(s); and (f) Concerts.

If this is not all you were looking for, then here is something more for you.

Connect and share the goparties app with your friends and here is what the GP community gives you in return:

- A platform where you and your friends can simply connect to invite each other to parties and know what is happening in each other's party-lives.
- Find new friends sharing common interest and party with them.
- The more you invite / share about your GP Community on your social-media handles, you will get exclusive free entries / cash-incentives to party without spending because your tab is going to be on GP.
